## AZALEAS CAMELLIAS EVERGREENS

**Location:** Our nursery is conveniently located on the new four-lane U. S. Highway 90 just six miles southwest of the Mobile City Limits. We are four miles northeast of Theodore where visitors to Bellingrath Gardens turn south from U. S. 90 to reach this world-famous show place.

**Come to See Us.** A casual comparison of the enclosed listings with our previous wholesale price lists will quickly show you that we are offering a more varied stock, at lower prices, than ever before. We hope you will give us the opportunity of showing you what we have to offer while you are in this area. Even if you don't buy anything, we are happy to have you stop and visit us. We are told that our collection of large specimen size Camellia plants is one of the largest in the South.
